

Green and Gold System Use Notification

FOR OFFICIAL USE ONLY

This system is the property of Norfolk State University (NSU). Only authorized NSU Community members are permitted use of this system. Any actions taken to log on, serve as your consent to comply with the University's Acceptable Use of Technological Resources Policy (AUP). By further accessing this system you acknowledge that you are accessing a Commonwealth of Virginia system. Any unauthorized or improper use of this system is considered a violation, is prohibited, and may result in administrative disciplinary action, civil charges/criminal penalties, and/or other sanctions. The University is required by law to comply with privacy and security protections, but NSU makes no representation that any use of this system will be private or confidential. To ensure users are respectful and responsible, all NSU technological resources are subject to monitoring, recording, and auditing. Any material processed, stored, viewed, accessed, or transmitted on this system may be disclosed without prior notification or consent, to authorized NSU personnel and law enforcement officials.
